

SECTOR

Marine and mining

We source and quote the replacement parts, sealing, electrical components and consumables that vessels, ports and mines run on, and we coordinate the freight to get them there.

Valves, fittings and sealing

- Butterfly, globe and drain valves
- Corrosion-resistant fittings
- Couplings and fittings
- Gaskets, O-rings and packing

Electrical

- Connectors and lugs
- Switchgear components
- Batteries
- Cable and sleeving
- Generators and transfer switches

Replacement parts and consumables

- OEM and aftermarket parts
 - Discontinued lines
 - MRO and safety consumables
-

HOW A REQUEST WORKS HERE

Send the requirement. Part number or nameplate, quantity, and where and when it has to arrive.

We search. Manufacturer first, then the distributors who hold the item.

Quote and confirm. Price and lead time, with freight options for the destination.

Deliver. Domestic, export or Caribbean freight coordinated and tracked until it lands.
